PROFESSIONAL SUMMARY

Diploma holder in Computer Networking Technology with hands-on IT support experience and EC-Council certifications in ethical hacking, network defense, and security fundamentals (CEH, CND, ECSS). Built a Splunk SIEM-based network monitoring and incident detection project covering log analysis, dashboarding, and real-time alerting. Skilled in Windows troubleshooting, helpdesk support, network diagnostics, and IT documentation, with additional experience in office administration and operations.

CORE SKILLS

IT & Network Security	Administration & Office	General & Operations
- IT Support & Helpdesk Assistance - Computer & Laptop Troubleshooting - Windows OS Installation & Configuration - Network Troubleshooting & Diagnostics - Cybersecurity Fundamentals (CEH, CND, ECSS) - SIEM Monitoring & Log Analysis (Splunk) - Hardware & Software Installation	- User Account & Access Support - IT Asset & Inventory Tracking - Administrative Documentation & Filing - Data Entry & Record Keeping - Microsoft Office (Word, Excel, PowerPoint) - Office Coordination & Scheduling	- Incident Support & Troubleshooting - Multitasking Under Deadlines - Attention to Detail & Discipline - Team Collaboration - Problem Solving & Fast Learning

PROFESSIONAL EXPERIENCE

IT Support Intern / Administrative Assistant

Sekolah Jenis Kebangsaan (Tamil) Pusat Telok Datok | August 2024 – January 2025

- Provided first-level IT support and troubleshooting for teachers and staff, including software issues and login/account assistance.
- Assisted with computer system setup, software installation, and basic hardware troubleshooting.
- Performed network checks, internet speed testing, and Windows installation support.
- Maintained administrative documentation, asset-related records, and organized office files.
- Supported day-to-day school administrative and technical operations.

Production Operator (Contract)

Renasas Electronics Corporation | December 2021 – February 2022

- Performed machine maintenance and operational monitoring in a structured manufacturing environment.
- Followed workplace safety procedures and operational guidelines.
- Developed attention to detail, discipline, and teamwork skills.

Retail Assistant

Giant Hypermarket | July 2021 – November 2021

- Assisted customers and maintained organized inventory displays.
- Supported stock monitoring and teamwork in a fast-paced environment.

PROJECTS

Network Incident Detection Using Splunk

- Configured log ingestion from network devices into Splunk SIEM.
- Built custom dashboards to visualize traffic patterns and system activity.
- Set up alerts to detect suspicious activity and potential security threats in real time.
- Strengthened practical skills in log analysis, network security monitoring, and threat detection.

EDUCATION

Diploma in Computer Networking Technology

ILP Kuala Langat | [2025] | CGPA: 3.36 / 4.00

Certificate in Computer Networking Technology

ILP Kuala Langat | [2023]

CERTIFICATIONS

Networking & Cybersecurity

- EC-Council Certified Ethical Hacker (CEH)
- EC-Council Certified Network Defender (CND)
- EC-Council Certified Security Specialist (ECSS)
- Cisco Networking Academy – Introduction to Networks
- Cisco Networking Academy – NDG Linux Essentials
- Cisco Networking Academy – Cybersecurity Essentials

Additional Training

- Certificate in Artificial Intelligence; Digital Marketing, Data Analytics & AI; AI/ML & ChatGPT Course
- Professional Boiler Operation and Maintenance (6 months) – Universiti Teknologi Malaysia (UTM), 2019–2020

PROFESSIONAL DEVELOPMENT

- Cybersecurity Week 2023 – Seminar & Forum
- National Training Week (NTW) 2025 – Digital Portfolio for Creatives
